Octa Journal of Environmental Research (OJER) is a peer reviewed quarterly open access online journal. We cordially invite research articles, review articles and short communications from research scholars of Universities, Research institutes and Industries. OJER maintains a rapid turnaround from submission to publication. We employ an innovative review system, where the referees, authors and editors remain anonymous throughout the peer-review process. The submissions will be considered for a single issue, in case of delay due to modifications, it should be resubmitted as fresh submission for next consequent issue. Manuscript can be submitted as an e-mail attachment to submitojer@gmail.com. Please refer to the Author guidelines at <http://www.sciencebeingjournal.com/octa-journal-environmental-research> or <http://www.sciencebeingjournal.com/OJER/Guide%20for%20Authors> our website for more detail.

Manuscript Charges (Rs. 0/-):

There is neither a charge for the processing of papers nor publication charges for any type of manuscript/ paper to publish the manuscript in OJER.

Thank you for your time and cooperation.

Best wishes.

Your Sincerely,

Editor-in-Chief
OJER
